everyone, as long as they were starkers. Even so, when we went to the pool our eyes nearly popped out.

There were six or seven beautiful German girls, about 20 years old, standing around. Some had large breasts, others small breasts, black pussies, blonde pussies and so on.

I thought I was in heaven and Lara was obviously turned-on – her nipples were rock-hard. We sat down and Lara put her hand on my thigh.

Before long she came, gushing her love juice over my hand and groaning loudly.

She took my cock in her mouth and within a

The next evening when we were feeling a lot more confident, we returned to the pool. My cock was already very stiff in anticipation and

didn't need any wanking off from Lara before she rubbed it against her dribbling cunt lips. There were still a few people about,

My cock was getting stiff and all the girls were watching as she began to rub my balls with one hand and wank me off with the other.

So I began to grope her tits, then finger her warm wet pussy. It wasn't long before she was begging me to fuck her.

I would dearly have loved to, although I thought this was a bit risky. So I started to rub her clit back and forth.

minute I shot my spunk deep down her throat. I thought all the Germans would be offended, but none of them batted an eyelid when we got up and left.

It must have been the kind of atmosphere they have over there, because if anyone tried to do that in a sauna over here they'd probably get locked up!

We went back to our hotel where we fucked ourselves silly for the rest of the day.

but it was darker now and so our fuck was fairly secret.

After teasing Lara's cunt, I finally buried it deep inside her and she enthusiastically rammed her bum down onto my lap.

I gripped her by the tits and bounced her cunt up and down on my stiff pole.

She started to moan and I could feel her sticky juices coating my shaft. As she got more and more excited, her cunt got wetter and wetter.

She turned round and stuck her tits in my face. I licked and sucked her nipples and rubbed her bum cheeks. She was starting to moan and we were in danger of alerting people just a few metres away.

So I stuck my tongue in her mouth just as she came and I managed to give just a quiet grunt as I spunked deep into her pussy.

It felt like my cum had been so powerful it shot right up to the top of her smooth, slippery cunt.

We relaxed, and I could feel my cock swimming in her hot, spunky pussy. When she got off me you could see her cunt had been really and truly fucked.

I hope readers will agree what a horny wife I've got and Lara and I hope to hear from them very soon. G., Cornwall.

## by Escort reader Lisa f

**Leggy Lisa gets her kicks from lingerie - especially her lacy stockings. But she's just as happy wearing nothing - except a big sticky helping of spunk!**

### What is your favourite sexual position?

Actually, my favourite sex act is sucking cock. I think it's the power it gives me over the bloke that really gets me off. When I've got his hard cock in my mouth, I'm completely in control of the guy. He's desperate for me to make him cum, and it's up to me whether I let him.

Of course, I always do. I like my blokes to be completely satisfied, as it keeps them coming back for more. And anyway, I love drinking spunk. It's such a turn-on, feeling that hot cream shooting into the back of my throat. It gets me going more than anything else. I've lost count of the number of cocks I've sucked, but it's got to be in the hundreds. In fact, I sucked two blokes off yesterday!

**"He filled my mouth with spunk and I swallowed it."**

The first was Tony, one of the guys I'm seeing at the moment. I'd slept at his the night before, and I woke up feeling randy. He had to go to work, but I wouldn't let him leave until I'd sucked his dick. He's got a fat one and sucking it makes my jaw ache, so I gave him a tit-wank first. When he was close to cumming I shoved his cock into my gob and started slurping away at it. He spunked loads, filling my mouth so much that some of it dribbled down my chin. I

soon scooped it up and swallowed it though. He went to work with a smile on his face I can tell you!

The second guy whose dick I sucked yesterday was Simon, another bloke I'm seeing. We went to the pictures and I ended up giving him a blow-job on the back seats in there. There was another couple sitting next to us, but I didn't care. Half way through the film I started feeling

horny, so I just got his cock out and went down on him.

He was obviously very turned-on by me doing that in public, as it only took him about a minute to cum. I felt his hot spunk pump into my mouth, waited until I was full and then swallowed it all. Then I put his cock away and watched the rest of the film as if nothing had happened. I demanded a good fucking when we got back to mine though!

# LIFE

## from Brighton

**Have you ever had group sex?**  
Too right I have! I've only done it a few times, but I've always really enjoyed it. The first time I tried group sex was when I was on holiday three years ago with Malcolm, my ex.

We'd gone to a beautiful little Greek island to get away from it all. We met another English couple while we were out there, and ended up going out

"I rubbed his big cock up and down my wet slit!"

with them most nights. Their names were Alex and Jenny, and they were a great laugh. On our last day there the four of us went to a secluded little bay. We were the only people there so we started sunbathing nude and skinny-dipping. The lads were joking around, saying they should do a bit of wife-swapping, and then Jenny said she was up for it if I was.

Alex was really tasty, and I'd had my eye on his tackle all day, so I

jumped at the chance to have a go with him. He came over to me and I started groping him up. He had a nice, big cock, and I grabbed hold of it and stroked it as it got hard. Malcolm and Jenny were lying on the sand together, and the sight of them touching each other up really got me going.

I dropped to my knees in front of Alex and ran my tongue all over his cock. It felt really hard and hot against my lips. I took it into my mouth and started to suck it right at the back of my throat. As I sucked it I bobbed my head up and down on it and ran my tongue all over his helmet. I moved a hand down between his legs and fondled his balls. They were big and heavy, and I cupped them in my hand as I sucked his dick.

Alex started thrusting his cock into my mouth, and I could taste his pre-cum on my tongue. I stopped sucking him and pulled him onto me. Keeping hold of his cock, I wanked it as he sucked my tits and pushed two fingers into

my cunt. He rubbed my clit with his thumb as he finger-fucked me, and it drove me wild. I was lying on my back with him between my legs, and I

shuffled my body around until his dick was pressed against my fanny. I kept wanking it, and as I tossed him off I rubbed his big wet-ended cock up and down my slit, so it brushed against my clit.

Jenny was lying on her front by my side, with Malcolm lying on top of her. He was fucking her from behind and I could see his cock glistening with her juices every time he slipped it out of her. As I watched those two, Alex pushed his dick into my cunt. It felt huge, really filling my pussy. He started to stroke it into me slowly, pushing it in until his balls were bumping against my arse and then pulling out so just his fat helmet was trapped between my cunt lips. I closed my eyes to savour the feeling of Alex's cock pushing its way into me, and then I felt a hand squeezing my tits.

It was Jenny. We watched each other getting fucked for a second and then we leaned towards each other and kissed. I'd never touched another girl sexually before, and it was a real turn-on. She pushed her tongue into my mouth, flicking it across my teeth and tongue, and I responded. Her hand moved down my body,

MY PUBLIC FUCK! • MY PUBLIC FUCK! • MY

**F**lashing and fucking in public really gets me wet. Which is just as well – the estate where I live really lacks privacy. I've got undressed in the bathroom before to see whole families looking at me totally starkers!

I thought that someone might come round the corner while I was pulling my pussy lips apart to show my pink petals turned us both on

Rob had a massive stiffy and I came towards him to rub it through his trousers. Then I posed like a porno model on the steps outside our block for him, rubbing my boobs together and telling him how much I wanted to fuck him – a lot!

Soon Rob had his cock out and was wanking it slowly while he took pictures. I couldn't wait to get back to our bedroom so I sank to my knees in front of him

My husband gets randy taking risks too, and he took these photos of me just before we went back to our house for the best sex ever! I was dressed in my sexy white lingerie which Rob got me for our wedding and I felt really horny as I slipped off the long coat I was wearing and started posing for his camera.

It was still early on a Sunday so we were fairly sure there was no one about, but the

and gobbled at his dick. He was trickling with juice and I swallowed up every drop

I tickled his balls and then stuffed them into my mouth, sucking gently while rubbing his bei-end. He grunted as I spat on my hand to lube the length of his cock and then wanked him off

I tugged off my panties and stood up against the wall. Rob lifted one leg up and plunged his cock into my aching pussy. He started off slowly,

grinding me against the brickwork. My clit was getting some serious rubbing as he did this

Next he started to bang me really hard, gripping hold of my bum cheeks and ramming himself as far up my sticky cunt as he could. I gripped onto him hard as I felt my cunt take a real punishing

I was gasping with excitement at being discovered and at the thrill of Rob chewing on my nipples. While he was pumping away I looked up for a minute and saw over Rob's shoulder a couple of blokes watching us. One of them had his cock in his hand and was wanking over the sight of us fucking. I carried on, totally amazed by what was happening to us.

As Rob heaved for the

last time and sent jets of hot spunk into my well-hammered cunt, the man came all over the pavement and both of them quickly scurried away leaving Rob to pull out of me and let his cum drip out of my now-slack cunt down my legs

We went back to bed and I told Rob all about the men who had watched us. It turned him on so much we fucked all day!

At the end of the night Mike came back to our house. On the way home David, my boyfriend, sat in the front of the taxi while Mike and I were in the back together. It didn't take long for Mike's hands to start exploring my thighs and then slide up towards my moistening fanny. I was getting really turned-on and

As Mike started to finger my dripping gash. David was licking my bumhole! It was an unbelievable feeling – one guy licking my arse while another sucked my tits and fingered my hot snatch Mike's

I was still sucking Mike when David walked in. He stripped off in about five seconds and I got into the doggy position on the bed, so that he could lick my pussy while I sucked Mike's mammoth tool.

To my surprise I suddenly felt one, then two fingers sliding into my arsehole, which made me feel even hornier. I sucked Mike as deep as I could and rubbed and squeezed his hefty balls

David then pulled away and Mike took his cock out of my mouth and began feeding it up my cunt from behind. It stretched me in ways I'd never felt before and I started cumming straight away. It felt like I was being shagged for the first time, that weird mixture of pain and pleasure, but mostly pleasure!

David hadn't even noticed!

When we got back home, I went straight into the kitchen to make coffee. Mike followed me in and put his hand up my skirt, squeezing my firm arse cheeks while rubbing my erect little nipples with his other hand. Then he pulled my top down to get at my tits and as he started sucking on my

fingers were covered in my cunt juice!

David then suggested that Mike and I went upstairs while he locked up. After I'd undressed, I turned around to see Mike naked and with an erection so huge that my eyes nearly popped out of my head. I've seen a few cocks, believe me, but his looked at least 10 inches long!

I started playing with my clit straight away and this made Mike even harder. I licked and sucked his pulsating tool – he was so big that I nearly dislocated my jaw! He then grabbed the sides of my head and fucked my mouth, which I'd never had done to me before, and it felt weird, but horny!

The phone rang and David went to answer it, leaving me with Mike. He took his member

Mike then drew my legs up onto his shoulders and stuck his full length in me. As his humungous rod fucked my pussy, I frigged my clit until I came, again and again.

David was totally turned-on by the scene. He fed his cock into my mouth and I sucked like mad as I was fucked.

## RISKY FUCK

When my boyfriend Paul and I went to our local one weekend I got so horny that I started flashing my stocking tops!

Paul soon took the hint and within minutes we were ready to leave. He was gagging for it as much

as I was. I popped to the toilet and took off my skirt and blouse, then put my long coat back on over my underwear.

On the way home we walked into a car park behind a local library.

Paul took these pics of me flashing my tits and trim pussy to him

My pussy was getting really wet and my nipples were hard. But Paul decided he wasn't going to tell me about the man who was walking his dog going past – that came later! I guess he thought I might chicken out otherwise.

Paul came over to me and I went down on my knees, sliding my scarlet lips up and down his hard cock. I sucked his helmet and wanked off his cock at

the same time as I worked him over with my tongue.

Then I stood up and bent over so Paul could fuck me doggy-style.

I rubbed my clit at the same time, so fast that my hand was a blur. I couldn't stop cumming

Paul reached round and squeezed my tits with one hand, and with the other took my cum-soaked hand and held it to my mouth for me to lick the juices off my fingers.

My pussy was getting fucked really hard. Paul was getting really deep penetration and I reckon his dick was buried up to

the balls in me.

He started changing his thrusts, bringing his dick right out of me, so only the helmet was left in me, and then in one move slamming it deep inside me. The feeling was very intense

I reached

back and grabbed Paul's balls through my legs, squeezing them gently in my warm palms.

That was too much for Paul and he groaned and pumped me full of hot cum, at exactly the same time as I climaxed again.

## ALRIGHT COCK

I work on a farm and my best shag ever happened when I had three cocks one after the other

They belonged to the farmhands who help out in summer – three real lusty lads who couldn't keep their eyes off me from the moment they saw me. I flirted with them out in the fields and one day, after some particularly hard work, Ron asked me if I

fancied a fuck right now.

"Of course I would," I replied to the astonishment of them all. "Come on, Ron, behind that hedge." I led the open-mouthed Ron away from the other two and pulled his trousers round his ankles. He was pretty stiff but I kneaded and sucked his cock into shape then lay down so he could stick his prick in me

He just went at it as I wrapped my legs around his back and pulled him deep into me. After only a couple of minutes, I felt that hot sticky rush of cum into my pussy and Ron pulled out.

I wasn't finished by any means, so I called over the hedge to John while Ron was still doing up his trousers. John came round really excited and asked if I could suck his cock. He was a young guy and he said no-one had ever done it before. I was happy to oblige, slurping on his helmet and pushing his rod onto my tongue. Sucking cock has always been one of my specialities

When he came, he groaned and spurted his cum right down my throat.

I tried to swallow it all but still some came out of my mouth and ran down my chin. I licked John's shrinking cock clean and he retired to the other side of the hedge

Finally, Carl came round. I got on all fours and stuck my bum right up in the air. He was tossing off his cock to get it really hard before he slid it into my cunt. I was so wet when he sank into me.

Carl seemed quite experienced

and kept going for ages, holding my bum cheeks steady so he could ram into me. I felt my orgasm welling up inside me and moaned loudly as he carried on through it, bringing me off three or four times in all

**He came into my spunk-filled pussy and I felt trickles of cum running down my legs.**

I hungrily sucked his cock clean and then we all walked back to the farmhouse having a real good laugh about it. I've since started going with Carl, but he sometimes lets his mates have a ride on me, so three cocks at once is becoming quite a weekend treat!

LEAH, LONDON,  
34-24-33, 42-years-old. Letters,  
p. 40. "I hate getting out of bed -  
especially when I've got someone  
one to share it with!"

How Leah from London  
first appeared in *Escort*  
vol 17 no 11.

My appearance in vol 17 no 11 of *Escort* led to hundreds of horny replies. I've had so many sexy times since that I thought I would share my taste of fun with all your readers.

One of the first replies turned out to be one of the best. It was from Phil, a salesman from Kent. After a short correspondence, he began

Thousands of horny readers have met through *Escort Contact* - and this is where they tell us what happened

coming to see me and soon introduced me to a colleague of his, a guy called Steve.

One day we decided to go to the woods for a picnic and some outdoor excitement. It was a boiling hot day so, sitting on the blanket between my two new friends, I laid back and unbuttoned my blouse, letting my tits soak up the hot sun. Phil got some ice cream and spoons out of the hamper. I shut my eyes, cupped my boobs and gasped for breath as I felt two mounds of freezing ice cream fall onto my nipples and over my breasts.

All the excitement, and the cold ice

cream, made my nipples rock-hard, demanding to be licked. I didn't have to wait for long and I gasped, again, as two hot mouths engulfed my cold and sticky tits. Tongues rolled over my nipples, licking from side to side, up and down.

I felt their solid members through the thin material of their trousers and I trembled as they explored my body in return.

"THEY COVERED ME WITH THEIR STICKY CREAM"

and Mike plunged his throbbing tool into my sticky mess of a cunt. Every thrust of his cock made me play harder on Phil's skin

## READER ROGERED BY 2 HARD DICKS!

My hot cunt melted with the desire to be filled with cock

Their hands were all over me - up my skirt, all over my tits and pulling my knickers down. My pussy was soaked and aching to be fucked. Phil had his cock in his hand and I took a spoon and covered his tool with strawberry sauce. I slipped it into my mouth and he tasted delicious!

"MY PUSSY WAS SOAKED AND ACHING TO BE FUCKED"

Not to be outdone, Mike unzipped his stiffness and rubbed ice cream into my pussy lips. I melted with the ice cream

flute, until they both exploded, spouting out more cream than ever. I was covered in my favourite fluid!

Steve then covered his middle finger with strawberry sauce and began kneading my arse. He then slid his lubricated finger up my arse and finger fucked me in the arsehole, until I bucked and writhed with the power of the climax.

So, thanks *Escort*, and keep up the good work. I look forward to making more contacts through your wonderful mag.

off. She sat between my legs, holding my lips apart with one hand and rubbing my bud with the other while she stared at my fanny I thought that was really rude. I came three times.

I lowered off him with my stocking

We were both a bit

over my belly and down into my pubes. Her fingers paused at my clit, teasing it for a second before continuing down to my hole. She positioned her fingers on either side of my cunt so she could feel her boyfriend's hard cock slipping in and out of my cunt.

Alex was really pumping away at me now, and when Jenny moved her fingers back to my clit and massaged it softly it didn't take long for me to cum. I had an enormous orgasm. I writhed on the sand as my two new friends fucked and fingered me through my cum, and then Alex came too. Jenny pulled his cock out of my cunt and wanked it, so his spunk splattered over my belly. Malcolm was watching Alex shoot his load over me, and from the way he was humping away at Jenny I could tell that he was close to cumming too.

Jenny and I got him to lay back and took turns sucking his cock. I was wanking his shaft while Jenny sucked on his helmet when he started to cum. I felt his cock twitch in my hand and saw Jenny swallow, and then I pulled Malcolm's cock out of her mouth and wanked it, so his spunk shot over her face and tits. Malcolm collapsed back on the sand and I licked his cum off Jenny. The two of us ended up having a 69 on the sand, licking each other's cunts until we were both completely satisfied.

Have you had sex with another girl since then?

Yes, I did do it once more, with a girl I lived with last year. We got really pissed one night and watched a porn film together. There was a lesbian scene in it, and after we'd seen that we started talking about what it would be like to go with another girl. I admitted what I'd got up to with Jenny on that holiday, and my flatmate asked if I'd like to try it again. We ended up rolling around on the floor, snogging passionately as we tore each other's clothes off. We just played with each other's tits and fannies at first, and then she started begging me to go down on her.

I was amazed by how wet she was. She was really turned-on, and she made loads of noise when I licked her clit. I pressed my mouth right up against her fanny and pushed my tongue into her slit, licking up and down.

embarrassed the next day though, and we never talked about what had happened. I don't see her anymore, but I still think about her sometimes when I masturbate

Do you dress for sex?

Yes, I love dressing up in white stockings and suspenders. An old

As her orgasm got closer I concentrated on her clit, and then when she came I pushed my tongue right into her hole. She didn't go down on me, but she did frig me

boyfriend Max used to get hard just thinking about me wearing them. One night him and his mate came round to my house and asked me to give them a show in my best lingerie. I was game for a laugh, so I did a slow strip. When I gently stroked Max's crotch with my foot I never realised I'd end up wanking off two cocks with my stocking feet!

Max started stroking my legs,

his hand edging further and further up towards my pussy. Max's mate John was doing the same with my other leg and their two

hands ended up caressing my cunt lips. They eased them apart and Max's fingers slid up my sticky cunt. I moaned with pleasure and sat down on top of them both. They took it in turns to lick my cunt, stroking my sensitive feet all the time. Max got his cock out and I wrapped my legs round him. He fucked my brains out while John wanked off at the sight of us screwing. My stockings are a sure-fire way to get men going! ☺

## SHAG SHIFT

In the run-up to Christmas I landed a job on a supermarket night shift. There were six of us, four nice looking guys, a student, Liz, and me. Liz and Dave were constantly flirting and you could feel the sexual tension between them.

One night, while I was in the warehouse, Liz beck-

lying on the table with Dave burying his head deep into her love gusset. I should have run off, but the sight of two attractive adults fucking rooted me to the spot. Before I knew it, my hand was down my knickers and I was rubbing my

oned to me from one of the aisles. I agreed to go back to hers for breakfast at the end of the shift.

When I got there, a few hours later, I was surprised to see that Dave was there as well. Liz was in the shower herself and this was the first time I had spent any time alone with Dave. He was very nice!

When Liz came back, she excused herself for a minute and went off with Dave. They were gone for quite a bit and I stuck my head round the door.

I was stunned to see Liz

clit with gusto.

As my love juices flowed, I groaned aloud and Dave looked up and saw me. Liz blushed but Dave could see that I had enjoyed the show and walked across to me, his knob twitching with excitement. He must have been at least 10 inches long.

I hadn't had a shag in over two weeks and my cunt was aching to play host to this throbbing monster.

Dave led me into the kitchen and undressed me. Liz smiled shyly as I lay

naked beside her. She had a fabulous body, I remember thinking as I felt Dave's tongue rasping over my gash.

It was sheer bliss as he teased my clit with his forefinger and his tongue licked up and down the lengths of my lips. His other finger was speedily moving about in my arsehole.

Liz had joined in as well and was teasing my nipples as she fingered herself. I felt my orgasm peaking and juice gush out all over Dave's face.

Then he lifted me off the table and put me on all fours on the floor. Liz lay on her back in front of me and I buried my face in her beaver. I was getting so turned-on.

Dave took my breath away as he inserted his huge purple-headed dick in my tight pussy.

I gasped as I took the full length of his manhood deep in my snatch. As he thrust into me, his bollocks slapped noisily against my arse cheeks.

The moment of climax was just wonderful as first Liz came all over my face, then my pussy gushed bucketfuls around Dave's pumping dick.

Dave was close to the edge, and when he withdrew Liz and I sucked

every last drop of spunk out of his heaving dick.

It was such a horny experience – the stuff that fantasies are made of. And breakfast is a regular date now with Liz and Dave! Sandra, Hants.

sage my husband's hard-on. I pulled his prick out and wanked it, then leaned over and ran my tongue all over his bell-end.

Then I sank my mouth over his gorgeous

cock and started wanking it up and down.

When he shot his load down my throat, he came so much that I couldn't swallow it all and it trickled out of the side of my mouth.

After this, I frigged myself to orgasm, with my feet up on the dash, for all the world to see. When we got to the woods, I stripped while my husband snapped away. After he had used up the film, he fingered my fanny. I sucked his cock back to hardness and bent over the bonnet.

My husband entered me from behind, and fucked me like crazy until we both had massive orgasms.

Just as we left, we heard someone

Then I started to mas-

shout out 'Great show!' and realised that a couple had been watching us and enjoying it immensely.

If they are reading this, we really want to get in contact. They could be in for another show! Katherine, Cambs. E
